FERGUSON BATH, KITCHEN & LIGHTING GALLERY

Progress Lighting's Vestique multi-light pendant features a dazzling array of glass spheres suspended within a modern frame. Light artfully reflects and refracts through these elements to provide a dramatic focal point to any room. Shown in graphite finish.

Transitional design influences can be seen throughout this calming living space. Upholstered pieces are from the Aerin Lauder Home collection; the cocktail table is a vintage Edward Ferrel + Lewis Mittman, a strictly to-the-trade boutique brand. The artwork is a premiere introduction from Trowbridge named the Sepia Keightley collection. They are pen and ink and water color views captured by designer Nina Campbell's great, great uncle while stationed in Malta in the Mediterranean. The lamps are from Visual Comfort. The modern Hurricanes are Ralph Lauren and the end tables are from EJ Victor.
